Quick Restart

Explicit Reset versus Preserve confirmation content for Quick Restart and New Game replacement.

Quick Restart

Confirm before resetting the current game

Restart this game?

Uses your current player setup and starting life.

Resets

- Life → starting life
- All numeric counters → 0
- Commander damage → 0
- Commander tax A/B → 0
- Day/Night → Not Set
- Monarch and City's Blessing → off
- All configured players → visible

Keeps

- Your name and opponent names
- Player count and starting-life choice
- Commander and partner names
- Partner configurations
- Pinned counters and custom definitions
- Saved custom dice
- Appearance, scale, haptics, and sound

Cancel

Restart

New Game uses the same replacement confirmation pattern.
